### 23 Aug - 25 Aug BENEDICTINE - MONK MODE - APPLYING MONASTIC PRINCIPLES TO EVERYDAY LIFE

The principles of monastic life include focus, perseverance, patience, and self-discipline. These are values which run counter to our mainstream culture, where self-indulgence, distraction, and rush are very much the norm. Yet these lead to a dissipation of strength and focus, and ultimately a loss of happiness and freedom. This weekend retreat will explore how the principles of monastic living can be applied to everyday life, to harness your inner strength, and achieve resilience, success and contentment. Presenter Fr. Robert Nixon, OSB. Please visit New Norcia's webshop to book: <https://shop.newnorcia.com.au>.
